

Students are expected to continue building their reading and math skills throughout the summer. The following assignments are due on the first day of school.

Please visit our school website or [japplegate.org](http://japplegate.org) and click on the **Grade 1 Summer Work** tab. Here you will find our book report template and the math packet to complete.

1. Reading- Students are to read two books of their choosing and complete a book report for each using the template posted.
2. Math- Students are to complete the math packet posted.
3. Work on tying shoelaces.
